### Press Release

#### **Mechanical Engineering Project Exhibition 2018 Held at UET Peshawar**

**Peshawar, August 7:** The Department of Mechanical Engineering, University of Engineering and Technology (UET) Peshawar showcased 40 projects during the Final Year Project Exhibition 2018 held on 7<sup>th</sup> August, 2018. The graduating students presented projects related to security, remote sensing, automobile and renewable energy having practical usages for local market viability. The exhibition was organized by the Department of Mechanical Engineering under the supervision of Chairman Prof. Dr. M. Naeem Khan.

Vice Chancellor UET Peshawar, Prof. Dr. Iftikhar Hussain was the chief guest on the occasion. He visited all the projects and praised the efforts of the graduating students they had put into complete their final year projects. Such projects minimize the gap between the students and the industry as a number of leading industrialists have also been invited to the exhibition, he added.

Prof. Dr. Naeem Khan termed the event as important experience and a regular feature of mechanical engineering B.Sc. program. The Dean faculty of Basic Sciences and Humanities Prof Dr. Siraj ul Islam and Dean Faculty of Mechanical Engineering Prof. Dr. Rizwan Gul, faculty members and large number of students were present on the occasion.
