Students, kick-start your tech career with a Microsoft Certification!

Higher Education Commission of Pakistan in partnership with Microsoft launches the largest skills initiative to upskill and certify educators and students across Pakistan and help bridge the gap between knowledge and employability.

Microsoft Certifications validate your skills and abilities while proving your commitment to learning the latest technologies, and with 91% of hiring managers using certifications as a criterion when evaluating candidates, earning a Microsoft Certification can help you stand out, gain confidence, and even get paid more!

Free Live Training Webinars in February for Students!

Our webinars cover Azure (Feb 8 and 16) and Azure AI (Feb 15 and 23), so if you want to learn the fundamentals or if you're planning to pursue an industry certification in one or both, join us for a full day of live training. Cloud jobs are in demand, so boost your employability with these cloud webinars.
