

Dear Esteemed Alumni

University of Engineering and Technology, Peshawar

Assalam o Alaikum!

As valued members of our University's Alumni Community, we recognize your significant contributions to our legacy. We are reaching out to you today to seek your support in our efforts to enhance the University's infrastructure and facilities.

We have initiated several projects aimed at creating a sustainable and supportive learning environment, including:

- Financial support for deserving students
- Solarization of the University to reduce our carbon footprint
- Renovation and upgrade of laboratories and classrooms
- Upgradation of the library through book donations

Your contribution to these projects will have a profound impact on our University's growth and development. By supporting us, you will be:

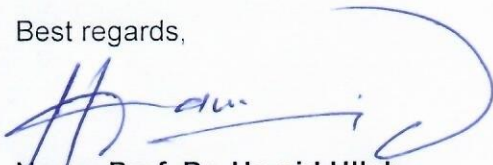

- Empowering students to achieve their academic goals
- Promoting sustainability and reducing our carbon footprint
- Enhancing our academic and research capabilities

In recognition of your support, we will acknowledge your contribution on our website, social media, and other platforms. We believe that together, we can overcome our financial challenges and create a brighter future for our University. Your generosity will make a significant difference.

Please consider supporting our noble cause by donating through the attached format (Annexure I).

Thank you for your time and consideration. We look forward to your support and contributions.

Best regards,

Name: **Prof. Dr. Hamid Ullah**

Designation: Chairman

Department: Mechanical Engineering Department

University of Engineering and Technology, Peshawar, KP, Pakistan
