

Employer Survey

(To be filled in by Employer - after the completion of each academic year)

The purpose of this survey is to obtain employer's input on the quality of education University of Engineering & Technology (UET) is providing and to assess the quality of the academic program. The survey is with regard to University of Engineering & Technology (UET), Mechanical Engineering, Jalozai Campus graduates employed at your organization. We seek your help in completing this survey.

Scale Used: Excellent (5), Very Good (4), Good (3), Fair (2), Poor (1)

Information About Organization

Organization Name: _____

Type of Business: _____

Email: _____

Contact No. _____

1. How effectively did the employee's Engineering Knowledge prepare him/her for the professional practices?

1	2	3	4	5
---	---	---	---	---

2. To what extent our graduates effectively identify and analyze challenging engineering problems?

1	2	3	4	5
---	---	---	---	---

3. How well our graduates design systems and solution for complex engineering problems?

1	2	3	4	5
---	---	---	---	---

4. How effectively do our graduates demonstrate professional competence in tackling complex engineering problems through research, experiments, and data analysis?

1	2	3	4	5
---	---	---	---	---

5. How proficiently do our graduates utilize modern engineering techniques and IT tools to address complex challenges in their careers?

1	2	3	4	5
---	---	---	---	---

6. How do you rate the performance of our graduates while working in a multi-disciplinary team or individually?

1	2	3	4	5
---	---	---	---	---

7. How do our graduates communicate effectively both verbally and in writing ?

1	2	3	4	5
---	---	---	---	---

8. How do you assess our graduates' preparedness towards ethical practices in their professional roles?

1	2	3	4	5
---	---	---	---	---

9. How do you rate the leadership skills of our graduates in managerial activities of the projects?

1	2	3	4	5
---	---	---	---	---

10. How do our graduates respond towards research, innovation, and skills' development opportunities?

1	2	3	4	5
---	---	---	---	---

11. How do you rate our graduates' ability to apply technological innovation that impacts society and the environment?

1	2	3	4	5
---	---	---	---	---

12. Please give your feedback related to our graduates in the following areas:

(i) Strengths:

(ii)Weakness:

(iii)Suggested Improvements:
