Subject: Internship Drive - 2025

(الذی) علیہ السلام در کائنات

Pakistan Atomic Energy Commission (PAEC) is pleased to announce Internship Drive 2025, offering exceptional opportunities for fresh graduates and final-year students in the field of IT & allied disciplines (including those expecting to graduate by December, 2025) to gain valuable industry experience. We are seeking motivated and talented individuals to contribute to meaningful projects within our organization.

The program is designed to provide hands-on experience and professional development in the field of Information Technology and allied disciplines in the following areas:

- Web Development
- Database Development
- Database Administration

Detailed information regarding eligibility criteria, program highlights, and the application process can be found in the attached brochure along with key program details as under:

Location:	- Islamabad, Pakistan
Stipend:	- Rs. 80,000/- per month (lump sum)
Note:	- Accommodation and Medical facilities are not provided. No TA/DA is admissible during the hiring process.

We kindly request your assistance in disseminating this opportunity to the relevant departments and for display at prominent site(s) for maximum outreach to all the prospective applicants. We believe this internship program will be a valuable asset to their professional development.

Applications are being accepted through the link: <https://hrd1902.com.pk> with deadline for application submission as November 10, 2025, please.

Yours sincerely,

DIRECTOR HRD
