**Following are brief Intros/bios of the Candidates declared eligible for the Alumni Association Elections 2026:**

**Engr. Gul Bahadar Yousafzai (For the post of President)**

Engr. Gul Bahadar Yousafzai is a distinguished alumnus of the University of Engineering and Technology (UET) Peshawar, graduating in 1971 with a degree in Electrical Engineering. Belonging to the early generations of engineers produced by UET Peshawar, he represents the strong technical foundation and professional integrity for which the institution is known.

**Prof. Dr. Abdul Shakoor (For the post of Vice President)**

Prof. Dr. Abdul Shakoor, a Mechanical Engineer graduating in 2002, is a seasoned academic and researcher known for his contributions to higher education, research development, and academic leadership. With extensive experience in teaching, research supervision, and scholarly work, he has played an important role in mentoring students and guiding research across undergraduate and postgraduate levels.

**Engr. Ijaz Afzal Khan (For the post of General Secretary)**

**EJAZ AFZAL**

**INFRASTRUCTURE PROJECT  
MANAGEMENT EXPERT**

A seasoned Project Development and Management Specialist with over 35 years of progressive experience in civil engineering, urban development, and institutional reform. Demonstrated leadership in the planning and delivery of large-scale, infrastructure projects. A Civil Engineer with an MBA in Management. Proven ability to align complex projects with government priorities, ensure regulatory compliance, and strengthen institutional capacity.

**Engr. Muhammad Usman Khan (For the post of General Secretary)**

Engr. Muhammad Usman Khan Marwat is a graduate Agricultural Engineer with over two decades of diversified experience in Public Sector Governance, community development, institutional leadership, and social service. He has remained Nazim, Hayatabad Town, Chairman of District Monitoring Committees, and Executive Director, Frontier Rural Development Program (FRDP). He also served as member of board of directors of WSSP from 2016 to 2020.

**Engr. Nasir Ali (For Finance Secretary)**

Engr. Nasir Ali is a prolific entrepreneur and seasoned executive leader with over 15 years of experience driving organizational growth across the education, technology, and service sectors in Khyber Pakhtunkhwa, Pakistan. Based in Buner, Engr. Nasir has successfully transitioned from a specialized engineering background into a multi-sector business owner, currently serving as Chief Executive Officer of the 'Premier' suite of companies.

**Engr. Yasir Hamad (For Information & Public Relations Secretary)**

Engr. Yasir Hamad is a highly skilled Software Engineer, product strategist, and technology entrepreneur with over 12 years of experience in full-stack development, ERP/CRM systems, and digital transformation solutions. As the Founder and CEO of ALFASUN Technologies Pvt. Ltd., He leads teams that deliver intelligent software ecosystems focused on digitization, automation, and business intelligence integration across multiple industries including education, finance, human resources, and industrial operations.
